Montessori Infant & Toddler Teacher Education Program

Program Description	Designated by the Ministry of Advanced Education Private Training Institutions Branch (PTIB), affiliated by the American Montessori Society (AMS) and accredited by the Montessori Accreditation Council for Teacher Education (MACTE), the program provides comprehensive learning in Montessori philosophy and practice, including pedagogy for infants and toddlers, environment design, with personal growth, child development and observation, Montessori philosophy, Montessori materials, and the full range of the Montessori curriculum. The practicum component provides the student with a supervised teaching and learning experience and a period of observation, internalization, and further study, in order to bring together the theory and practice of Montessori education.			
Learning Objectives	At the end of this program you will have developed the necessary knowledge and understanding of Montessori philosophy and practical experience to become a competent Montessori infant and toddler educator.			
Career Occupation	Montessori infant and toddler educator			
Program Duration	Total 52 weeks Academic – 210 hours Practicum – minimum 540 hours & 9 consecutive months: September – June, Monday ~ Friday for minimum of 3 hours & maximum of 4 hours
